CNN - declare Dundee as one of the top seven World Cities to watch in 2018 if you are considering property investing.

In addition to the high specification kitchen and bathroom, this luxury apartment also benefits from two delightful double bedrooms, both with fitted wardrobes. The master bedroom has a splendid en-suite shower room with super-stylish fixtures and fittings. The architects have cleverly designed this apartment to maximise the natural light making each room fabulously bright and airy.

Thermostatic controlled underfloor heating and mechanical ventilation with a heat recovery system provides a lovely ambient warmth to each room. The impressive specification also includes flush mounted downlighters, digital video door entry system, digital TV and satellite points, phone points, an elevator and allocated parking. A factor has been appointed and all purchasers pay a monthly maintenance fee for the upkeep of all common areas and elevator.

The development is linked via a pedestrian bridge to Dundee's West End and is within easy walking distance of a mixture of bars, theatres, shops, restaurants and lively café culture which ensures that all tastes are catered for. Dundee is the fourth largest city in Scotland and is undergoing a 1bn redevelopment programme at the waterfront which includes the Victoria and Albert Museum and is only a short stroll away.
